Office of State Personnel*

**Temporary
Employment
with
North Carolina
State
Government**

Who we are

temporary solutions is a division of the Office of State Personnel which provides temporary staffing to North Carolina State Government agencies -- exclusively.

Since our establishment in 1986, **temporary solutions** has employed thousands of candidates with state government, many of which have secured permanent employment with various state agencies.

Temporary assignments may be long or short term, depending on client needs and variable situations.

Our clients, state government agencies, expect and receive qualified staff who, with minimal orientation, can acclimate and become productive quickly.

Equal Opportunity Employer

What we offer

~ You will have the opportunity to work with a wide variety of state government agencies .

~ You will receive an personal interview with a placement counselor which gives you the opportunity to present your work experience, qualifications, and specific employment interests.

~ We offer skills evaluation testing in computer programs most frequently used by state agencies. This enables our counselors to better determine which positions match your skills.

~ Whether you are interested in temporary work while between careers or just want the flexibility of short-term assignments, **temporary solutions** has opportunities for you.

Few kind words ...

~ I worked with **temporary solutions** for a few months and then I was hired in a permanent position.

~ **temporary solutions** gave me an opportunity to gain more work experience that has enhanced my marketability.

~ Working through **temporary solutions** gave me an opportunity to look around and see what state government has to offer.

~ I really appreciate **temporary solutions** finding me a job.
